

Panchavati Rural Development Society

Panchavati is an NGO which has completed 22 years of service in and around Hyderabad. It has implemented several projects since its inception related to education, solid waste management, reproductive and child health, and employment generation. Currently, it works on providing e-literacy through training sessions.

To know more about the organisation and stay updated on their projects, log on to the [website](#) and [Facebook page](#). You can help raise funds for their programme [here](#).
